

Paola Bertoni

Product Designer | UX/UI Designer

Porto Alegre, RS — Brazil paolabbirck@gmail.com +55 54 99905-0031
www.paolabertoni.com.br linkedin.com/in/paola-b-birck

Product Designer focused on UX/UI Design, with a background in art direction and branding since 2019. Experienced in designing user-centered web and mobile interfaces, from information architecture and user flows to wireframes, high-fidelity Figma prototypes and design systems. Combines strategy, visual consistency and usability to turn business goals and user needs into clear, intuitive digital experiences. Currently at TaxCo, designing digital products and evolving the visual language of the group's brands.

PROFESSIONAL EXPERIENCE

UX/UI Designer | Art Direction

TaxCo (Grupo Fiscal) — Sep/2021 – Present

- UI and UX design for websites, landing pages and responsive digital products (web and mobile).
- Create user flows, wireframes and high-fidelity prototypes in Figma, focusing on usability and information hierarchy.
- Build and maintain the design system and component libraries (typography, color, iconography), ensuring consistency across products.
- Led art direction for the Fiscal rebrand, translating strategy into visual language across digital and physical touchpoints.
- Collaborate with development, strategy and marketing teams, from developer handoff to product decisions.

Graphic Designer

HardCore — Jan/2021 – Jul/2021

- Prototyped e-commerce interfaces, focusing on usability and the shopping journey.
- Developed visual assets, campaigns and digital content for social media.

Graphic Designer

FonoSul — Sep/2019 – Jan/2021

- Created digital materials, campaigns and social media content, keeping brand visual consistency across platforms.

Graphic Designer

Co.De (ESPM) — Mar/2019 – Sep/2019

- Developed visual pieces and supported campaign creation in a collaborative environment, working on real-world projects.
